Primary Care Sheffield is a GP-led organisation. Our shareholders are 79 GP practices in Sheffield covering over half a million patients. As well as providing a range of 'at-scale' primary care services in the city, we run the **Clover Group Practice** of seven GP practices in partnership with Sheffield Health & Social Care NHS Foundation Trust.

Our practice provides care for over 32,000 patients with consulting rooms at Heeley Green Surgery, Buchanan Road Surgery, Jordanthorpe Medical Centre, Highgate Surgery, Darnall Primary Care Centre, Clover City Practice and Mulberry Practice.

Each are home to an experienced and dedicated team of professionals and all Clover Group facilities were rated 'Good' by CQC at their last inspection.
