**A NEW EXCITING OPPORTUNITY HAS ARISEN FOR A
10 month Fixed-term Salaried GP or Long-term GP Locum
5 sessions per week
To cover maternity leave from mid-May 2019**

We are a friendly and well organised Nurse Training GP Practice in a semi-rural area of Sheffield. We currently have a team of 5 GPs, 2 Nurses, 3 HCA and a Clinical Pharmacist working well together. Our Senior Partner is due to go on maternity leave from **mid-May 2019**.

We are seeking to recruit an enthusiastic individual who is able to provide a full range of PMS services with the support of a caring team.

- PMS Practice
- Nurse Training Practice
- High QOF Achievers and full range of Enhanced Services including Minor Surgery, Joint Injections, Anticoagulation, Nexplanon Fitting, Ring Pessaries, Endometrial Sampling, Mirena & Coil fittings
- List size 4600
- Very low rate of home visits
- Protected time for training and clinical meetings with peers
- SystemOne – Fully paperless
- High quality purpose built modern premises
- Bus to transport patients door to door from their own home to the surgery
- Active practice involvement within the Locality and Neighbourhoods
- Salary (plus indemnity) or locum rate negotiable depending upon experience

Please send your CV with a covering letter to the Practice Manager Fay Schofield fay.schofield@nhs.net and to Dr S Davidson sudeshna.davidson@nhs.net or alternatively post to the above address for the attention of the Practice Manager. Closing date for applications 19 April 2019

Please feel welcome contact or phone us for an informal chat or visit. We are very happy for people to come and have a look around. If you wish to visit please contact the Surgery Secretary, Rachael Ibbotson, who will arrange a time to suit.
