

Vacancy - Healthcare Assistant West5Care PCN

Hours are 37.5 to 40 per week.

Job overview

West5Care PCN are looking to employ an experienced Healthcare Assistant to join our innovative primary care network. West5Care are made up of 5 practices, The Crookes Practice, Broomhill MC, Walkley MC, Manchester Road MC and Selbourne Road MC. All situated in the S10, or S6 area of Sheffield, we have a network patient population of approximately 37,000 patients and are looking to provide a Home HCA service which will support safe holistic patient care and provide reassurance for those patients restricted to their home environment.

This service, as well as targeting chronic disease management will also enable blood tests, blood pressure checks, long term condition reviews, diabetic foot checks, B12 and flu Injections to be carried out at home.

This is a full time position, although a job share would be considered for the right candidates and is initially a 6 month fixed term contract.

If you are an experienced, proactive and enthusiastic HCA with primary care experience we want to hear from you.
